

lg::Autoencoder::accumulate
_deltas

```
graph LR; A["lg::Autoencoder::accumulate_deltas"] --> B["lg::Relu::backward"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'lg::Autoencoder::accumulate_deltas'. The right box is gray with a black border and contains the text 'lg::Relu::backward'. A blue arrow points from the right side of the left box to the left side of the right box.

lg::Relu::backward
