

Ig::Operation

```
classDiagram
    class Ig_Linear_Freeze["Ig::Linear_Freeze"]
    class Ig_Operation["Ig::Operation"]
    Ig_Linear_Freeze --|> Ig_Operation
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'Ig::Linear_Freeze'. A blue arrow points vertically upwards from this box to a white box labeled 'Ig::Operation' at the top. Both boxes have black borders.
