

lg::Sigmoid::forward

```
graph LR; A[lg::Sigmoid::forward] --> B[lg::Tensor::size]
```

A diagram showing a call from the `lg::Sigmoid::forward` function to the `lg::Tensor::size` function. The `lg::Sigmoid::forward` function is represented by a gray rectangular box on the left, and the `lg::Tensor::size` function is represented by a white rectangular box on the right. A blue arrow points from the right side of the gray box to the left side of the white box, indicating the direction of the call.

lg::Tensor::size
