

lg::Autoencoder::Autoencoder

lg::Autoencoder::make

lg::augmentation::noise

```
graph LR; A[lg::Autoencoder::Autoencoder] --> C[lg::augmentation::noise]; B[lg::Autoencoder::make] --> C;
```

The diagram illustrates a dependency or relationship. On the left, there are two rectangular boxes: the top one contains the text 'lg::Autoencoder::Autoencoder' and the bottom one contains 'lg::Autoencoder::make'. On the right, there is a single rectangular box containing the text 'lg::augmentation::noise'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the right box, indicating that both 'lg::Autoencoder::Autoencoder' and 'lg::Autoencoder::make' depend on or interact with 'lg::augmentation::noise'.
