

lg::Softmax::backprop

```
graph LR; A[lg::Softmax::backprop] --> B[lg::softmax_backward]
```

The diagram illustrates a function call. On the left, a white rectangular box with a black border contains the text 'lg::Softmax::backprop'. A dark blue arrow points from the right side of this box to the left side of a second rectangular box on the right. This second box has a light gray fill and a black border, and it contains the text 'lg::softmax_backward'.

lg::softmax_backward
