

lg::Softmax::run

```
graph LR; A[lg::Softmax::run] --> B[lg::softmax_forward]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'lg::Softmax::run'. The right box is gray with a black border and contains the text 'lg::softmax\_forward'. A dark blue arrow points from the right side of the first box to the left side of the second box.

lg::softmax\_forward
