```

The diagram illustrates a directed graph with three nodes. On the left, there are two white rectangular nodes with black borders. The top node contains the text 'RBF_GAUSSIAN::RBF_GAUSSIAN' and the bottom node contains 'RBF_MATERN::RBF_MATERN'. On the right, there is a gray rectangular node with a black border containing the text 'NC_PN::SetState'. Two blue arrows originate from the right side of the leftmost nodes and point towards the left side of the gray node, indicating a directed relationship from the left nodes to the right node.
